**Safety and Responsibility Policy:**

The safety and well being of each participant is of utmost importance and we have worked hard to ensure a safe and meaningful journey. However, risks are inherent in all travel activities and not everything can be foreseen. Therefore, in the spirit of community, please read and sign the following four agreements:

1a. I am aware that the ferry crossings may be rough because of unexpected weather patterns. The Pilgrimage journey includes two crossings (one 45 minute ferry ride and one 10 minute ferry ride) each way in order to get to and from Iona.

1b. I am aware that two optional but somewhat strenuous walks (up to 6 miles round trip) are planned and I take full responsibility for my decision to participate in these and all activities.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

2. Unplanned or unexpected situations may result in additional cost. In the unlikely event that traffic or weather prevents the bus or ferry from bringing us to our paid-for lodging in Oban or Iona, the group leader will seek alternate accommodations for the night. The cost of this lodging and added meals will be the responsibility of each participant and cannot be covered by the Pilgrimage cost noted above. I understand that individual traveler's Insurance is highly recommended by the Pilgrimage Leaders. I have read and understand the potential for additional cost responsibility.

Signed \_\_\_\_\_ Date: \_\_\_\_\_

3. I take full responsibility for my well-being and decision-making throughout the journey and release the Pilgrimage leaders from liability claims related to injuries or losses, and from claims of negligence regarding all planned activities and travel. With my signature, I acknowledge and agree that this waiver of liability is a complete release of any responsibility of the Pilgrimage Leaders, Cari and John Keith, for any and all personal injuries, temporary or permanent disability, death, and/or property damage sustained by me during this pilgrimage time, including events that require travel to and from pilgrimage sites.
